

Subject:- Final Seniority List of Geological Assistants of JKSPDC as stood on 01-01-2017.

### Notification

Whereas; Tentative Seniority list of Geological Assistants of the JKSPDC was issued vide No. ADM/5078-81 dated 09-01-2017 for inviting objections from the concerned members of the service, within a period of 15 days for the placements, if any.

Whereas; following Geological Assistants have submitted objections against their placements assigned in the said Tentative Seniority List on various grounds as discussed here under:-

1. Dr. B. K. Khajuria & Mr. Ravi Ji Pandita figuring at serial No. 2 & 3 in the said Revised Tentative Seniority List have challenged the placement of Mr. Ramesh Kumar Kaith on the ground that at their basic selection by the Service Selection Board, as Geological Assistants, Mr. Ramesh Kumar Kaith was figuring at serial No. 3 and Mr. B. K. Khajuria at serial No. 2 and Mr. Ravi Ji Pandita at serial No. 1 which must continue their positions in the Seniority List as per Rules.

The documents of all the 3 Geological Assistants figuring at 1 to 3 in the said Tentative Seniority List have been examined and the claim of serial No. 2 & 3 found substantial. Thus the Seniority positions of all the 3 Geological Assistants are as such reversed as per the order of merit in their basic selection panel issued by the Service Selection Board and interms of Rule- 24 of Classification Control & Appeal Rules of J&K CSR.

2. Mr. Javeed Ahmed Banday figuring at serial No. 9 is claiming that he belongs to Scheduled Tribe Category, thus deserves to be placed ahead in the Seniority list at serial No. 6 as per Roaster.

20/5

PDD

The Claim of Mr. Javeed Ahmed Banday is un-founded. His placement has been strictly made on merit bases as per relevant rules governing the seniority which may continue as it is.

3. Mr. Mohd. Irfan Mir and Mr. Jyoti Kumar Sharma figuring at serial No. 10 & 11 in the said Revised Tentative Seniority List claim that they should have been shown ahead to others as they had secured high merit positions than other Junior Colleagues in the selection process.

The records reveal that the appointment of both the candidates figuring at serial No. 9 & 10 has been made as substitute candidates against drop outs after a considerable time as reflected against both of them. They are appointees of next batch whose seniority positions have no comparison with the first batch appointees. The merit competition is the main criteria, only for those candidates whose selection has been made in the same batch which is not the case with serial No. 10 & 11.

Further, the placement of Geological Assistants figuring at serial No. 1 to 3 challenged by Mr. Mohd. Irfan Mir and Mr. Jyoti Kumar Sharma is not tenable as the Geological Wing has been permanently transferred from the PDD and merged in the JKSPDC including its incumbents by the Board of Directors who are competent to do so.

The Final Tentative Seniority List of Geological Assistants of the JKSPDC as stood on 01-01-2017 is as such issued for its circulation among the members of the service for their information.

Any of the members of service aggrieved with the position assigned in the Final Seniority List or with the decisions taken above shall be at liberty to file a review

2075

in accordance with Managing Director JKSPDC Jammu a period of 15 days, in support of substantial documents as per Rules governing the Seniority.
